

Uni

A true classic Scandinavian design, Uni sofa sleeper features a slightly tapered arm, fixed seat cushions, removable back cushions, and a wood finish leg. A function we have used for decades, it's perfectly simple.

Easy Function

We've been using this since the late 70's and it remains a top choice by customers today. It's perfectly simple and gives our design team greater flexibility and freedom. During operation, the function reveals a hidden storage compartment under the seat and provides a full-size bed sleeping surface.
