

Ethos

This sleeper is an elegant refresh to our Flipper Nest sleeper. Ethos maintains a chic styling with its thin welted arms, while the shape falls naturally beneath your resting arm. This design has all the benefits of our Nest Function line-up with a unique look to complement your style.

Nest Function

Getting its name by how the dual motion sleeper nests a portion of the mattress perfectly below the seat and tucking the another portion effortlessly in the back of the frame. A combination that does not compromise on style or comfort whether seated or sleeping.
